

JOINT STATEMENT

Re-open STT's Photo Exhibition and Hold Authorities to Account

12 March 2024

We, the undersigned, are disappointed by the actions of the Sangkat Nirouth Police Station in Khan Chbar Ampov, Phnom Penh, which ordered the owner of Champei Garden Restaurant to stop displaying photographs that were part of an exhibition by Sahmakum Teang Tnaut (STT). The authorities provided no reason or justification for their actions.

The topic of the photo exhibition was *Housing and Life*, and it had opened on 25 February 2024. It aimed to highlight the ongoing concerns and challenges facing Cambodia's urban poor communities, with the purpose of finding solutions.

The dismantling of STT's photo exhibition without explanation is a clear violation of freedom of expression and demonstrates a disregard for art forms that tell the important stories of vulnerable and urban poor communities. We remain disturbed about the continuation of these kinds of arbitrary crackdowns on peaceful forms of expression under the new government.

Cambodia's constitution enshrines freedom of expression and the rule of law. Instead of silencing peaceful voices that raise legitimate concerns about Cambodia's urban poor communities, authorities should direct their efforts towards addressing the causes of harms – such as land grabbing, predatory microlending practices, and debt bondage – that currently plague those communities.

We, as civil society organisations in Cambodia, call for the *Housing and Life* exhibition to be allowed to continue without interference. We also request that the Ministry of Interior monitor the activities of the authorities in Khan Chbar Ampov and Sangkat Nirouth Police Station and that the ministry instruct them to provide their reasoning behind the dismantling of STT's exhibition. Furthermore, we request that both institutions be held accountable for their actions, and for the Ministry of Interior to counsel all authorities on topics pertaining to freedom of expression and the rule of law so as to protect the rights of all Cambodian people.
