The Situation of Khmer Krom in Cambodia

Even though the Royal Government of Cambodia recognizes Khmer Krom as citizens, out of 264 individuals interviewed, 91.60% are unaware of their citizenship rights under the Constitution & Nationality Law.

76.6% Do not own a house or land

60.60% Feel discriminated against

An estimated 20-30% Do not have ID cards

41.9% Feel that they are not recognized by the authorities

Without a Valid ID Card, Khmer Krom Cannot:

- Purchase land
- Register to Vote
- Secure Employment
- Access Healthcare
- Access Education
- Get a Passport

These data are extracted from 2017 report “Citizenship Rights for Khmer Krom in Cambodia” produced by ACT, CCHR and KKKHRDA.
